LIVINGSTONE

The strong visual impact of broken-stone effect, an ancient craftsmanship, makes the radiator WELL an entirely unique product. On its surface patterns of lights and shadows alternate, thus enabling always new interpretations.

# Well

## Stone:

- ~ white
- ~ coloured (see finishings table)
- ~ coloured in RAL scale

## Frame:

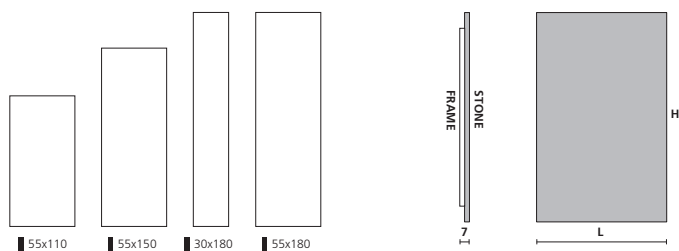

- ~ matt black as standard
- ~ Livingstone® colours (see finishings table) or RAL scale upon request
- ~ provided with brackets for an easy and quick installation
- ~ can be accessorised (see table in accessories section)

## Control panel:

- ~ the electronic display is standard in the electric and hybrid versions.
- ~ positioned on the right side (on left side upon request with no surcharge)
- ~ programmable
- ~ In the hydronic version the radiator is manually controlled through your home thermostat.

The texture of the radiator can be combined with Pietrablu® products
