LIVINGSTONE

The feeling of natural stone makes the TRENDY radiating panel the right compromise for those who want a simple object but with a well-defined character.

Trendy

Stone:

- ~ white
- ~ coloured (see finishings table)
- ~ coloured in RAL scale

Frame:

- ~ matt black as standard
- ~ Livingstone® colours (see finishings table) or RAL scale upon request
- ~ provided with brackets for an easy and quick installation
- ~ can be accessorised (see table in accessories section)

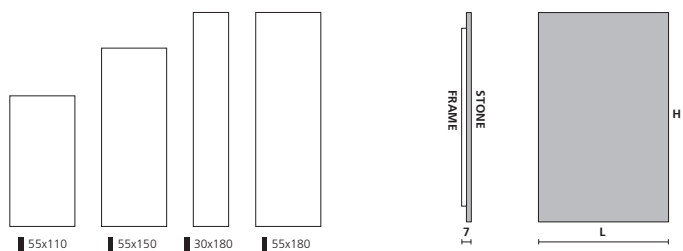

Control panel:

- ~ the electronic display is standard in the electric and hybrid versions.
- ~ positioned on the right side (on left side upon request with no surcharge)
- ~ programmable

- ~ In the hydronic version the radiator is manually controlled through your home thermostat.

The texture of the radiating panel can be combined with Pietrablu products
